TRADITION

CENTENARY COLLEGE

The 1980-81 school year brought many new faces to Centenary. Enrollment was up ten percent. Centenary was also proud of its All-American athletes, the new Brown Chair of English, campus landscaping and building renovations. A renewed emphasis on liberal arts created a new sense of unity.

FRIENDSHIP

"The things which our friends do with and for us, form a portion of our lives; for they strengthen and advance our personality."
J.W. von Goethe

EDUCATION

"Being educated means to prefer the best not only to the worst but to the second best."
William Lyon Phelps

EXCELLENCE

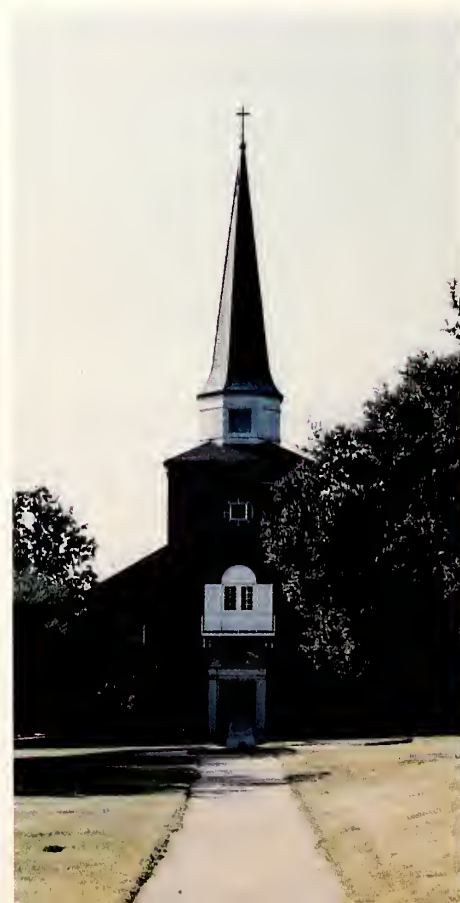

"The permanent temptation of life is to confuse dreams with reality. The permanent defeat of life comes when dreams are surrendered to reality."

James Michener

MEMORIES

"A memory without blot or contamination must be an exquisite treasure, an inexhaustible source of pure refreshment."
Charlotte Bronte

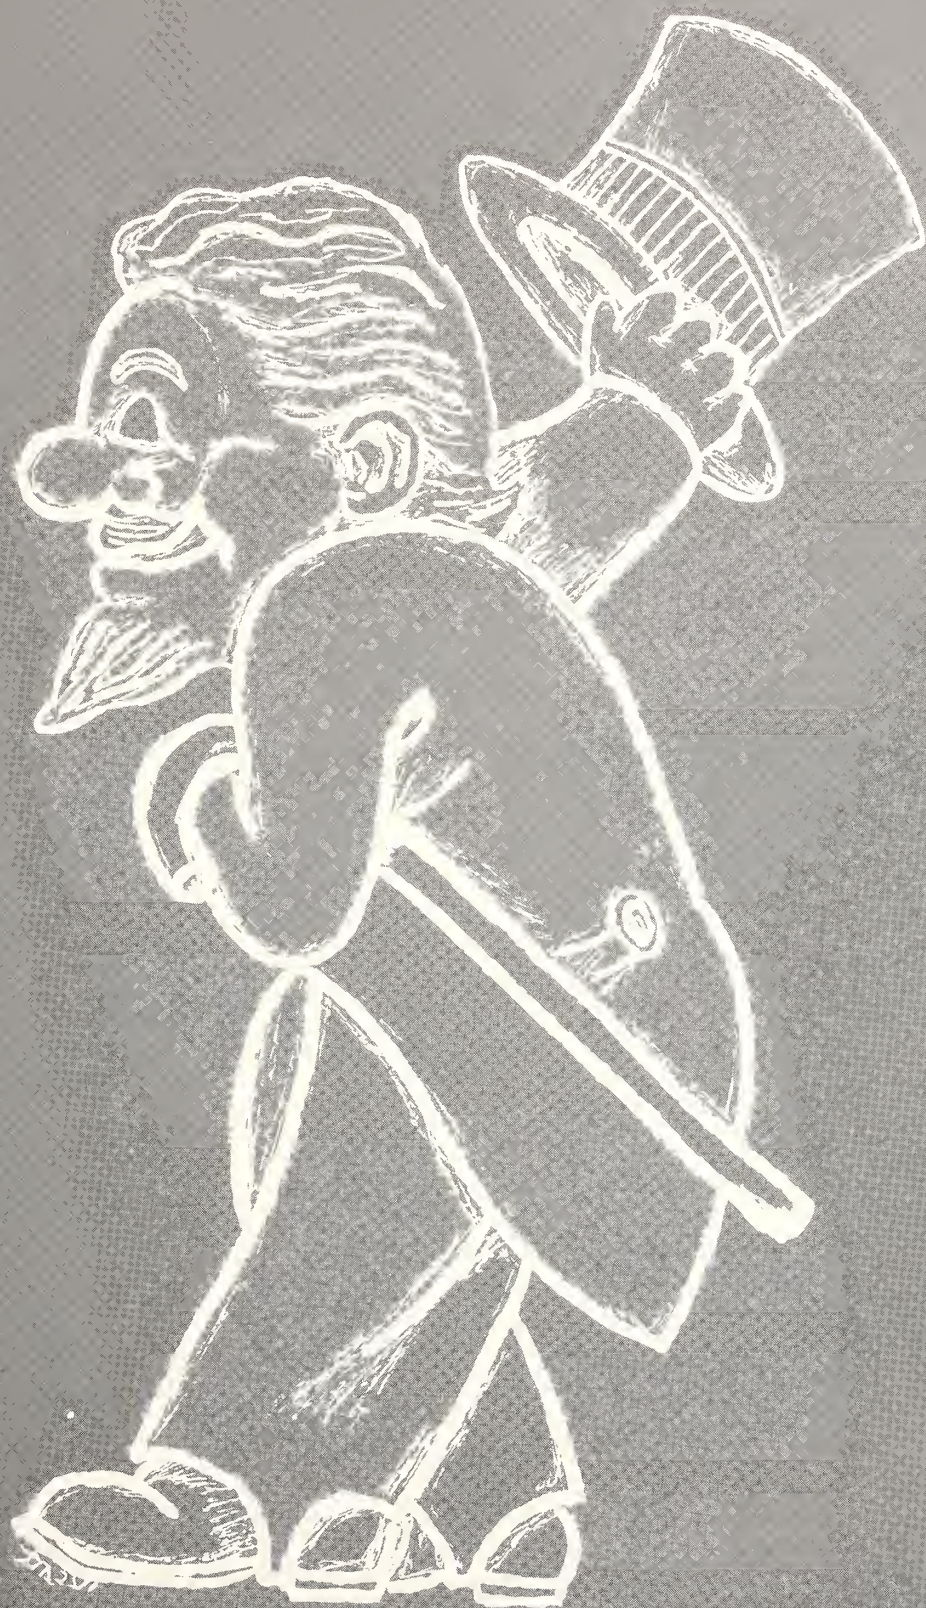

UNITY

"Behold, how good and how pleasant it is for
brethren to dwell together in unity!"
Psalm 133:1

ADMINISTRATION AND FACULTY

Dr. Donald Webb
President

An article in the 1971 volume of the YONCOPIN compared Centenary to the crippled child in the old tale of the Pied Piper of Hamelin. He was left behind because he couldn't keep up; his legs didn't work well. Centenary, at that time had a similar problem — our legs didn't work well. Enrollment dropped and the financial situation worsened. The solution given was "good hard work". Centenary did work, and Dr. Webb continues that hard work. Today enrollment is over 1,100 and our budget is balanced. We are no longer limping, trying to catch up. We are doing the piping.

Keith Dollahite, Dr. Rosemary Seidler, Beth Johnson, Elaine Mayo, Steve Hanley, Dean Dorothy Gwin, Sally Sherrod, Dr. Webb Pomeroy.

O D K, founded at Washington and Lee University in 1914, recognizes and encourages achievement in scholarship; athletics; social, service, and religious activities, and campus governments; journalism, speech, and the mass media; creative and performing arts.

Centenary's Beta Pi Chapter consists not only of students but faculty and administrators as well, because ODK believes in bringing together all the leaders in the various phases of college activities. Each semester, new members are selected, tapped into the fraternity during a convocation and later initiated.

Beth Johnson and Tim Bruster are shown during the tapping ceremony.

"The real difference between men is energy. A strong will, a settled purpose, an invincible determination can accomplish almost anything . . ." Thomas Fuller

The energy and determination that Thomas Fuller mentions is exemplified in the members of Alpha Chi. Membership into this honorary fraternity is based on scholarship; juniors and seniors with a 3.5 or above are eligible for membership.

MAROON JACKETS

The Maroon Jackets have undergone many changes since they were organized in the early 1900's by Dean of Women A.R. Campbell. During that time they served as guides for bewildered freshmen during orientation and also as the drum corps of the band, performing at football games. Today they serve as the official hosts and hostesses of the college, conducting campus tours, serving at teas and luncheons and of course collecting "CP" cards. The Maroon Jackets are selected on the basis of leadership and scholarship.

Standing, L-R: Keith Dollahite, Susan Snyder, Melinda Love, John Purdy. Seated: Sarah Doss, Jan Carpenter.

ALPHA EPSILON DELTA

L-R: Dr. Bradley McPherson, Pam McPherson (Treas.), Stuart Eason (Historian), Susan Webb (Sec.), Kurt Knowles, Felicia Sankey (V.P.), John Holcomb (Pres.), Jim Frantz.

"It's not enough that you should understand about applied science in order that you may increase man's blessings. Concern for man himself and his fate must always form the chief interest of all technical endeavors - in order that the creations of our mind shall be a blessing and not a curse to mankind. Never forget this in the midst of your diagrams and equations."

Albert Einstein

The Centenary Chapter of AED, the national honorary pre-medical fraternity, upholds a fine tradition of excellence. Members are selected on the basis of academic performance (3.0 GPA in both the sciences and overall), character, general ability, and personal traits befitting a physician. Activities include providing speakers on pertinent aspects of medicine, maintaining a functional library of study material and medical school catalogs, and sponsoring Pre-Med Weekend for high school students. Alpha Epsilon Delta is proud of its 26 years of encouraging pre-medical excellence at Centenary.

Guest lecturer, Dr. Emil Kotcher, of LSU Medical Center spoke on biomedical ethics.

SIGMA GAMMA EPSILON

Sigma Gamma Epsilon is the honorary geology fraternity at Centenary. With the continuing search for energy resources, and answers to present day phenomena such as earthquakes and volcanoes, these students see the importance of their future roles.

ACS Student Affiliate Chapters are organized to provide chemistry students with an opportunity to gain practical experience that will help them in their careers. The members take trips to scientific meetings, judge science fair projects, and invite speakers to learn of new developments in the field. This has been a tradition for years. In 1942 for instance, in light of the role that chemistry was playing in the WW II defense program, experts in various fields of national defense spoke on chemistry as it related to the war. Speakers during the 1980 year included a representative from the Kodak Laboratories and Dr. Richard Leopky who spoke on "Nitrosamine Carcinogenesis."

HONOR COURT

The Centenary Honor System is established on the basis that honor should be fostered and not forced on all academic work. Only through the combined efforts of faculty, administration and students can this system work. The role of the Honor Court is therefore to see that students abide by the Honor Code. Members of the Honor Court pictured L-R: John Holcomb, Phil Maguire, Dr. Michael Hall, Fran Stevens, Lynn Young, Jan Carpenter, Mike Clayman. The Congressional race for the Fourth District is on the 435 to be decided in the fall. The two men placed first and second in the open primary met to discuss some of the major issues in this campaign. The Centenary SGA, the League of Women Voters, and the Shreveport National Organization for Women sponsored the forum. It was held on Sunday in Kilpatrick Auditorium at 2 p.m. Congressman Leach and his challenger Buddy Roemer answered questions from the audience after an opening discussion on issues "vital to women."

Only two dormitories will be utilized this year during interim, according to the Office of the Dean of Students. "I know it will be an inconvenience," stated Dean Dick Anders, "but I believe that when they know the cold, hard facts, our students will understand and respect our opinion." Economy and security were cited as the primary

Jeffers, Assistant to the Dean of Students, said that the estimated cost of utilizing only two dorms this interim is \$2400, a savings of \$3200. As for security, Dean Anders stated that it just is common sense that it will be

The **Conglomerate**, Centenary's weekly publication, is a very important part of the college's communication system. Working to improve that communication, this year's paper has included "Hamilton Hotline", along with regulars such as Greek Beat, letters to the editor, and local and sports news.

The work of the staff members is a hectic job that continues from week to week.

In 1890, the first Student Newspaper published by Centenary students was a monthly publication called the **Maroon and White**. In 1923 its name was changed to the **Conglomerate**.

As The Conglomerate went to press, it was learned that

KSCL is Centenary's student-operated radio station located in the Sub. The training of a new radio announcer takes a lot of patience on the part of the trainer and the trainee. In one 3-hour period, the trainer acquaints the new announcer with all the technical aspects. He must know how to cue up records and carts, bring in the network news, mix two songs, fill out a program log and modulate his voice over the air. Obviously a great deal of work and concentration goes into being an announcer, in addition to it being a great deal of fun.

PEGASUS

Seated, l-r: Stephanie Lynch, Stuart Harville, Alan Irvine. Standing: Kris Hand, David Otto.

The **Pegasus**, Centenary's new literary magazine was issued for the first time in the Spring of 1980. The goal of the organization is to present the finest of Centenary's literary and artistic endeavors. Many changes have come about in **Pegasus'** short history, including Senate funding, and an expanded staff. Dr. Michael Hall serves as the staff's sponsor. Staff members include Ala Irvine-Editor, Stuart Harville-Publicity Manager, Stephanie Lynch, David Otto, Terry Grimes, Kristine Hand, Meg Rector, and Mike Ragland.

3. Brenda Cunningham enjoys visiting with people, skiing, needlepoint and art work.

4. Mrs. Collins, also known as Mrs. "C" is an alum of Houston University and enjoys all sports except fights. She especially likes a good hot cup of coffee.

The Resident Assistant staff, composed of upperclass students from all areas of campus life, is one of the most vital and influential groups on campus. They are trained as peer counselors to assist students whenever needed. Under the leadership of Dean Dick Anders, Assistant Dean of Students Joy Jeffers, and Dr. Mark Dulle, Resident Assistants work with the philosophy that dorm life is one of college's • important learning experiences. They participate in training workshops, RA and dorm staff meetings, receive verbal abuse following 3 a.m. fire drills, and enjoy social get-togethers such as ski parties and hayrides.

Realizing that dorm living is a very important aspect of college life, the five councils work to improve dorm conditions for the students. During the fall, the dorm council members, RD's and Dean of Students held a workshop to set goals and discuss ways to reach them. Dorm council members also serve to enforce the dorm rules.

C.I.S.O. was founded on September 9, 1980. Its main objectives are to promote international goodwill and understanding, i.e., to bridge the gap between American and foreign students on campus through social and cultural exchange. This year there are approximately 45 foreign students from 19 different countries represented at Centenary.

They are Saudi-Arabia, Thailand, Haiti, Yugoslavia, the Netherlands, Venezuela, Chile, Columbia, Germany, Syria, Australia, Norway, Panama, and Sweden. C.I.S.O. is not an organization for foreign students only. The international element of the organization is emphasized by also including American students.

First row, l-r: Kelly Crawford, Pierre Bellegarde. Second row: Mindy Ramey, Charlotte Blakely, Brigitte Gort (Treas.), Karen Fogle (Pres.). Third row: Pam McPherson, Felicia Sankey, Jess Regan, Sharon Tucker. Fourth row: Sarah Webb, Theresa Lengel, Brenda Cooper, Carol Rowe (Sec.), Elizabeth Jennings. Not pictured are Susan Webb (V.P.) and Sarah Doss (Historian).

Circle K is the only organization on Centenary's campus that is devoted entirely to service. Their projects included a visit to the Rutherford House, a carwash, a Halloween visit to Shriner's Hospital, working with the Special Olympics and a canned food drive during Thanksgiving. A few of the members sponsor children overseas.

"Just do what you can. It's not enough merely to exist. It's not enough to say, I'm earning enough to live and support my family. I do my work well, I'm a good father. I'm a good husband." That's all very well. But you must do something more. Seek always to do some good somewhere. Every man has to seek in his own way to make his own self more noble and to realize his own true worth. You must give some time to your fellow man. Even if it's a little thing, do something for those who have need of help, something for which you get no pay, but the privilege of doing it."

The playwright envisions the play's world. The director, with the help of many others, transposes it into the theatre's space for us to see and hear. Long hours are spent preparing for a play - from rehearsing lines to setting up props. The set design in **Denny and the Witches** is an example of their detailed work.

STAGE BAND

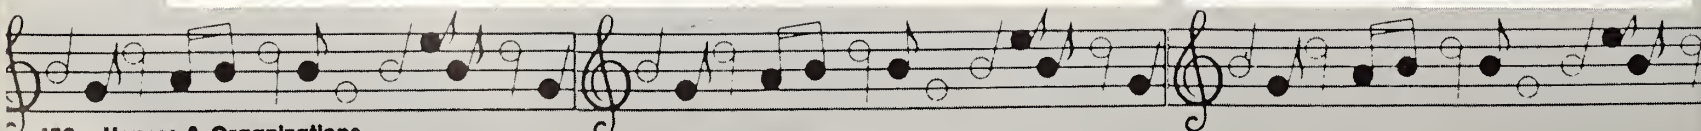

The Stage Band, one of Centenary's newer bands, rehearses four hours a week under the direction of William Causey, who has been directing Centenary bands since 1941. The Stage Band adds a great deal of spirit to basketball games as they perform at most all of the Gents home games. Open Air Concerts are also held in late spring.

The Concert Band has a long history here at Centenary, having been directed by Mr. Causey for over 30 years. They perform concerts for the Centenary community and occasional concerts in conjunction with the Stage Band.

Opera Workshop

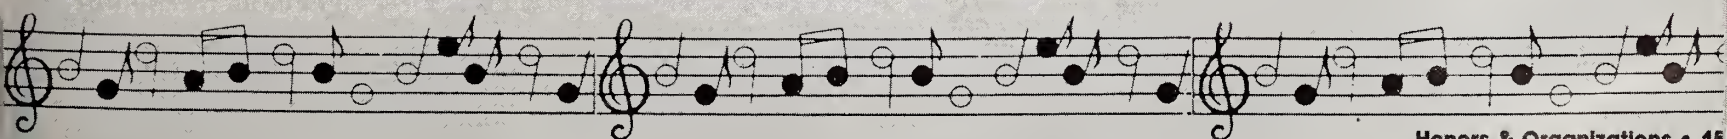

The Opera Workshop under the musical direction of Mary Beth Armes and the stage direction of Bill Riley performs one major opera a year, an accomplishment of which they are very proud for a campus the size of Centenary. This year the major opera was COSI FAN TUTTE by Mozart. Members of the Workshop meet eight hours a week in addition to night rehearsals prior to a performance. They performed excerpts from Cos during the Red River Revel, and all other performances were held in Hürley Auditorium. Their audiences included not only Centenary students but the Shreveport community and elementary school children as well. The Opera Workshop was honored with the visit of Sandra Walker, an affiliate artist of the New York City Opera Company, who coached them for two weeks. She worked with them on techniques of the New York City Opera. In addition, Leonard Treasch, a well known producer worked with them as did the Texas Opera Theatre. At left are scenes from the MAGIC FLUTE and COSI FAN TUTTE.

ORGAN GUILD

The members of the Organ Guild comprise the Centenary Chapter of the American Guild of Organists. This study group meets once a month for programs of interest to church musicians and sometimes meets with their mother chapter, the North Louisiana Chapter. Members are from left to right, Tim Eaton, Mary Beth Lott, Mr. Teague, Nancy Porter and Mark Cook.

CENTENARY COL

LEGE CHOIR

The Centenary College Choir, composed of about 50 members, had an exciting year under the direction of Will Address. The year began with the traditional choir camp at Hodges Gardens. Alumni were welcomed back for the first "Alumni Day." Two highlights of the year included singing for Rosalynn Carter and Ronald Reagan. "Rhapsody in View" was once again a huge success. The Yuletide spirit of the Madrigal era was fostered as the Choir held the Elizabethan Dinners in an authentic Early Renaissance atmosphere. They also taped a Christmas show. Concerts were held throughout the Ark-La-Tex, and in Mississippi during the January tour.

Choir officers are, top to bottom, l-r: Nancy Porter - Soprano Section Leader; Chris McCrosky - Accompanist; Jenny Piner - Female V.P.; Knox Address - Tenor Section Leader; Libby Address - Secretary; Charles Boyd - Bass Section Leader; Fran Stevens - Accompanist; Darryn Walker - Male V.P.; Evonne Greene - Treasurer; Tim Eaton - Public Relations; Karen Koelemay - Alto Section Leader; Parnell Holt - President.

"Cheezy" Voran, founder of the Choir in 1941, returned on Alumni Day for a visit.

The Choir is active in intramural sports.

The Choir was honored to sing for the First Lady.

BAPTIST STUDENT UNION

The Baptist Student Union under the direction of Rev. Cleatice Sipes, was active this year participating in weekly Bible studies, retreats, a mission trip, an International Student Conference and two BSU gatherings. Regular meetings were held each Tuesday during break.

Speakers for these luncheons included local clergy, Christian professors from campus, and Christian businessmen from the community.

"If there is anything in this life which sustains a wise man and induces him to maintain his serenity amidst the tribulations and adversities of the world, it is in the first place, I consider, the meditation and knowledge of the scriptures."

INTERFRATERNITY COUNCIL

L-R: Jerry Lipscomb, Jim Frantz, Tony Stevens, Kelly Allison, Kris Erickson, Trip Ludwig, David Kneipp, Kirk Labor, James Rivera, Jimmy Burke.

The Interfraternity Council serves as the liason between Greek men and the administration. IFC also participated in the Greek workshop.

The year of 1980-81 was indeed one of the best years that Chi Omega has seen on Centenary campus. The year began with a large pledge group for the chapter and a brand new brass chandelier from the alumni for the house. Many surprises were in store for us as the year wore on. Kidnaps are fun, but come on pledges, 6:00 a.m.? Revenge will be sweet! Barnyard went great as usual and some of our crushes finally found out whose hearts beat for them. Some of our other parties were Spring Formal, Night Owl party and Parent Daughter Banquet. While parties are fun the Chi Omegas also found time for more serious past-times.

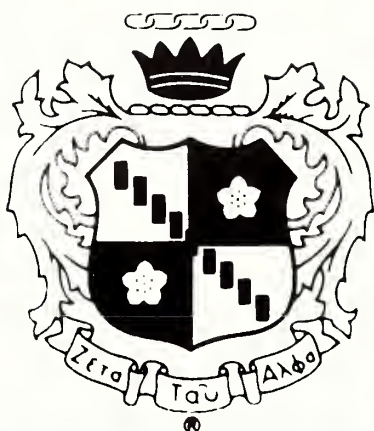

They adopted a child overseas and went to visit the children in Confederate Hospital.

Chi Omegas can be found as Stardusters, in the Order of Diana, as TKE sweetheart, in the Daughters of the Crossed Swords and on the Dean's list. Other activities included Yoncopin staff, R.A.'s, cheerleaders, Choir, RTP, SGA, Honor Court members, KSCL and Varsity Athletics.

ZETA TAU ALPHA

The Beta Iota Chapter of Zeta Tau Alpha began the year with a successful rush. The Zeta Ladies were busy with Las Vegas Night, Red River Revel, Rocky Mountain High Party, Christmas Party, Kidnaps and Spring Formal. The Zetas were involved on campus as Choir members, R.A.'s, Maroon Jackets, Pacesetters, Who's Who, Judicial Board, SGA senators, Cheerleaders, Intramurals, Dorm Council, Stardusters, Alpha Chi, Theta Chi Daughters, and TKE O.D.. They also found time for service projects: March of Dimes Walkathon, St. Jude's Hospital and Thanksgiving baskets. The members of Beta Iota Chapter were honored at the 1980 State Day where they received the Brag Paddle, Zeta Lady Award, and the Service Award.

Sigma Iota Chapter of Zeta Phi Beta Sorority, Inc. can proudly boast of having had a banner year in achievement. The members of the sorority and of the W.I.Z. (Women Interested in Zeta) Club, with exemplification and intensification, projected the goals and ideals of the sorority-scholarship, finer womenhood, sisterly love and humanitarian and community services. Women with participatory virtues and innumerable attributes, these young women can highlight their activities for a first year organization. Among these prolific and benevolent activities, Zeta's legacy has found women with pride, perseverance, integrity, concern and an unrelentless pursuit for excellence, playing major roles as contributions to the following: Who's Who Among University and College Students, Student Government Association, Pacesetter, Entertainment Committee, T.L. James Dorm Council, Shreveport Symphony Orchestra, Hurley Chamber Singers, Homecoming, Open Ear, Centenary Women's Basketball team, President's Advisory Council, Pianist, Organist, and director of Church Choirs, and much more. The first anniversary of this chapter was celebrated on February 23, 1981, along with annual Black History Month and Finer Womenhood Week activities. Speakers and guest artists from around the country joined in these celebrations. The officers of Sigma Iota Chapter are; Soror Vondel A. Smith, president; Soror Elizabeth E. Jennings, vice-president; Soror Verna R. Jacobs, acting secretary-treasurer. The Chapter's members and W.I.Z's pay a special tribute to their founder, Soror Delecia P. Smith, 1980 graduate of Centenary College.

Soror Vondel Smith, W.I.Z. Martha Phiper, W.I.Z. Tawania Nelloms, W.I.Z. Kawanis Akins, W.I.Z. Brendolyn Cooper, W.I.Z. Lesia Browning, Soror Elizabeth Jennings

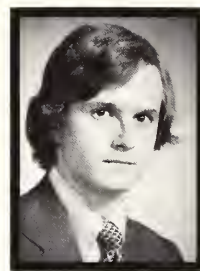

The Alpha Iota Chapter of Kappa Alpha Fraternity once again picked up many fine new men during rush. The KA parties were in the fine tradition of revelry-Jungle Party, Hayride, Halloween Pledge party, Backhall parties, and, of course, the last party of the year, Old South, a four day long celebration of our Southern heritage. Members were involved in soccer, baseball, President's Council, Alpha Chi, ODK, Who's Who, ZTA Big Brothers, and IFC. The KAs participated in the Muscular Dystrophy Skateathon and the Great Teachers-Scholars Phoneathon. These Softball Champs for 1980 can most often be seen skanking on Woodlawn Avenue.

The Iota Theta Chapter of Tau Kappa Epsilon Fraternity had a rewarding and fun year in 1980-81, and remained active both on and off campus. Scholastics was the primary concern for the chapter as it retained the President's Cup for academic performance.

In April the Red Carnation Ball was taken to Asphodel Plantation in Jackson, LA where the Tekes also paid a visit to the old campus of Centenary. Benefits from the fall Walkathon with the ZTAs went to St. Jude's Children Hospital in Memphis, and the Easter Holiday with the children of Holy Angels was a big success.

IS HISTORY**

WALTER LOWREY

1920-1980

Dr. Lowrey came to Centenary in 1963 and taught at Centenary for 17 years. Dr. Lowrey earned his doctorate in history from Vanderbilt University.

Dr. Lowrey was an enthusiastic professor who always had time for his students. We at Centenary will remember him as a great teacher and a good friend.
